

"GOD QUALIFIES THE UNQUALIFIED"

Our Redeemer has built up 2 new Directors! Meet Mikki Roach, Director of Healing House and Scott Person, Director of New Hope Center. We praise Jesus for His work in their lives!

"I was a resident of Healing House in 2013 and 2016. I did some inner healing prayer with Reo, a staff woman who helped pray Healing House into existence. She told me I would be the Director someday. I laughed because, at that point in my life, that did not seem like something that could ever be possible. Shortly after I graduated the program, I was hired as a part-time Chore Coordinator and then a few months later, a full-time position was created for me as the End Phase Case Coordinator. I didn't feel fully qualified, but my mentor, Anne, told me, "God qualifies the unqualified". I have had some amazing, Godly women speak into my

life and I have been under great leadership at Healing House, growing and learning to walk in my calling. I truly feel called to this ministry and honored to serve here! I get to share my hope and strength with the lost and broken women while sharing the Love of Christ with them.

"The best part of working at Healing House is watching a mother teach her children about Jesus, seeing her get a full-time job, or hearing the excitement in her voice when she finally gets approved for an apartment or gets custody of her children back. The most beautiful thing to see, is when a woman finds her worth and her identity through Jesus, we get to watch Jesus transform the ladies right before our eyes!

"Metro Hope will always hold an extra special place in my heart because God used it to save both myself and my husband, Oscar. We have 3 daughters who bring us so much joy. I love to be outdoors and enjoy spending time with family, taking family vacations, motorcycle rides, and I enjoy pampering myself occasionally. My favorite Bible verse is Ephesians 2:4-7"

"I was a resident of New Hope Center 3 times from 2005 to 2007. In 2009, I started volunteering at New Hope Center. About a year later, Bill Bauske offered me a role as Equipping Phase Coordinator and I stayed in that role for 9 years. Two years ago I became the Program Manager and recently I accepted the role of Director of Operations and Programming of New Hope Center.

"I love serving people and watching the transforming power of the Lord work in people's lives.

"Today I am married to my wife, Penny, and have 2 beautiful daughters and 1 grandson. In my free time, I love to go fishing, boating on the Minnesota lakes and vacation in the Caribbean. I also enjoy public speaking. There are 3 life verses that speak to me: Proverbs 27:19, Micah 6:8, and James 1:19."

Saying "Hello" to new staff means saying "Good bye" to others.

Haley Vancura, former Director of Healing House, has decided to be a full-time Mama!

Seth Evans, Tim Larson and other staff from Twin Cities Ministries have been contracted for 4 years. They are moving on to other ministry adventures!

We are SO grateful for everything these servants of God have done to build up the ministry of Metro Hope and for the love of Jesus that they poured out upon our residents. They will all be deeply missed but we know that God will continue to use them in mighty ways for His kingdom! ❤️

God is SO good! It is so exciting to watch the transformation from new resident to graduate. Hope and light replace emptiness. You can see it in their eyes. What is really fun is when our graduates become staff, sharing their joy with the new residents. The new staff reflect the hope found only in a life surrendered to Jesus Christ. Our graduates shine because Jesus and the Holy Spirit have filled the emptiness. It brings tears to my eyes just thinking about it! God is SO good! Their transformation is the perfect picture of the reason Jesus died on the cross, our cross that He chose to carry because He has a crazy love for us, for you! I pray you experience a freshness in your spirit this Easter, of overwhelming love and joy in the Victory of Jesus Christ, our Savior. From all of us at Metro Hope, Happy Easter! God bless you,
